Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56, the accompanying information is being submitted in accordance with 37 C.F.R. §§ 1.97 and 1.98. Applicants are submitting a Form PTO-1449 listing documents for consideration by the Examiner. These documents were cited in the International Search Report (provided herewith in English) or are English-language counterparts of documents cited in the ISR.

Pursuant to 37 C.F.R. § 1.98, a copy of each of the documents cited is enclosed. However, a copy of the listed U.S. patent application publication is not enclosed since it is no longer required according to the July 11, 2003 waiver of the requirement for copies of cited U.S. patents and U.S. patent application publications in national patent applications filed after June 30, 2003 and international applications entering the national stage under 35 U.S.C. § 371 after June 30, 2003.

The documents are being submitted within three (3) months of the filing or entry of the national stage of this application or before the first Office Action on the merits, whichever is later. Since these documents are being filed within the time period set forth in 37 C.F.R. § 1.97(b), no fee or statement is required.

The following remarks are offered with regard to the non-English language document.

WO 03/076601A1 is in French; Pain et al., U. S. Patent Application Publication No. US 2004/0058441 A1 is provided to serve as an English translation. The English-language version of the ISR serves as a brief statement of relevance.
